

9169 - Bar Cart

Specifications:

This minimalist wet bar cabinet, shown in light oak finish with visible natural wood grain, is as functional as it is beautiful. Underlying construction includes water resistant plywood for durability. Stunning vertically fluted door panels subtly framed in antique brass with matching brass door pulls and brass decorative rail on left side add decorative elegance. A stone top with eased edges provides work surface and undermount sink cut-out. The matching oak interior features pull out drawer with removable inserts, mini fridge cabinet, cubbies and storage shelves. The plinth base adds architectural aesthetic.
