

Serenity - 8837L - Lounge Chair

Specifications:

The elegant simplicity and clean lines of this lounge chair offer many impressive details. The fully upholstered body of the chair sits on short, recessed legs. The tight seat is incorporated into the front rail as it transcends to the base creating a simple yet unique look. The arresting profile accentuates a perfect pitch.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

This chair incorporates Sound by Samuelson. Intense research and development have culminated our unique patent pending product, transforming our chairs into a fully capable Bluetooth speaker. Privately listen to any Bluetooth selection alone or in the company of others. Decompress and relax in comfort as SOUND is uniquely channeled throughout the chair for a fully immersive experience! ***US Patented**

Innovative Options:

CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***US Patented**
