

## Cassandra - 9174-12L - Loveseat

### Specifications:

Architectural contours define this distinctive loveseat. The upper upholstered section accentuates the form as its back and arms create interesting angles. A perfect way to either dine or lounge comfortably. This Cassandra loveseat features a gentle, organic curve to the recessed wooden base with round, tapered, splayed legs. Also available as a dining chair 9174L

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

### Innovative Option:

Catch by Samuelson provides a thoughtful solution to clutter in dining, public areas and hallways while fostering independence. Our patented stainless-steel hardware suspends a walker, or any personal item on the back of our chairs, creating more space and less confusion in common areas of the community.

### \*PATENTED

Tilt by Samuelson is our solution to a common cleaning problem. Our discreet system allows the seat of our chairs to tilt forward, exposing a drop-through frame. We have thoughtfully engineered this hygienic system to facilitate a simple, single-step service
