

Paul - 8860L - Dining Chair

Specifications:

When in need of a multipurpose transitional armchair for dining, pull-up or gaming, this oval back chair creates an efficient solution. Although beautiful in its simplicity and durable in its construction, comfort and support is a priority. Tight seat, arm height and pitch are in perfect harmony for healthy sitting posture. The fluted front rail adds character. The upholstered oval back enhances support.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option:

Catch by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***PATENTED**
