

9136 - Round Banquette

Specifications:

Maximized seating capacity and floor space was achieved in the iconic Hell's Kitchen Restaurant with this semi-circular banquette. Comfort and practicality are offered as the curved booth shape creates an inviting, enclosed space paired with a round table. Upholstery treatment features a plush, vertically channeled seat back and thick, tight seat cushion for deep comfort. Separate sections are attached upon installation and fitted into the provided mill work. Multiple banquettes of this design provide an elevated visual and dining experience to the venue.
