Arne - Curvaceous Dining Chair- 9220L

Specifications:

Discover the timeless appeal of our mid-century dining chair, where clean lines and refined style create a striking statement. The sleek, minimalist frame wraps seamlessly in continuous flow as it gently connects all parts in perfect balance. Soft rounded edges with subtle curves unite arms, back and legs with tight seat and inset back cushion for a minimalist profile.

Ergonomics are an equal priority in crafting this chair of timeless elegance. Easy sit and stand are achieved with appropriate arm height and thoughtfully designed pitch. Tight seat and back cushion are constructed with proper density for comfort, posture and security while structurally connected to the frame. An organic silhouette is achieved as rounded open frame of arms and back connect to splayed legs. Beauty and function are found in equal measure.
