

9079 - King Poster Bed

Specifications:

If you are seeking some grandeur, this four poster king bed brings a focal point of drama and romance to the guest room. The simple design elements can be paired cohesively with any decor. A canopy frame connects the four posts, each topped with round ferules. The posts create legs that elevate the bed base for a light aesthetic. A fully upholstered headboard and bed base create a warm and inviting contrast to the minimalist framework.
