

Stewart - 8833L - Occasional Chair

Specifications:

This chair is designed for comfort, durability and efficiency. Interesting characteristics include unique shape, elegant tapered legs with ferrules offered in brushed stainless 113M or brushed brass 106M, an X stretcher for stability, and special fully upholstered tight seat and back. The seat features an open channel along the back for sanitary removal of crumbs and debris. If reupholstery is required, the seat is easily removed.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option: CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***PATENTED**
