

Bronson - 9209L - Dining Chair

Specifications:

This dining chair with contemporary design elements has some unique features. Simplistic and architectural in appearance, the boxy structure is softened with padded arm rests, smooth corners, tight seat and back, all created for comfort. Engineered ergonomically with correct seat height and depth for easy sit and stand. Sold with casters on front legs style 9209L/CAS.

Innovative Option:

CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. *PATENTED
