

Charles - 8835L - Occasional Chair

Specifications:

Savvy comfort and support are offered in this chair for any space. The unique design features continuous flowing movement from flat top rail to its sloping side and arm. Stunning base design includes straight front legs attached to bottom rails. Base follows the form of the upper section to a dramatic splayed back panel that can be finished to match the base or done in a contrasting finish or material. Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option: CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***PATENTED**
