

Taylor - 8830L - Occasional Chair

Specifications:

This chair speaks of unique style, comfort and durability. It's a welcoming place to read, chat, relax in any space. A beautiful open, recessed wooden base follows the unusual 5-sided shape and contemporary clean lines. Upholstered front rail incorporates architectural detail that flows seamlessly into the base. Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option:

CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***PATENTED**

TILT by Samuelson is our solution to a common cleaning problem. Our discreet system allows the seat of our chairs to tilt forward, exposing a drop-through frame. We have thoughtfully engineered this hygienic system to facilitate a simple, single-step service.
