

8900 - Phorm Tete-a-tete

Specifications:

The serpentine shape of this elegant tete-a-tete offers an interesting alternative to the more traditional sofa. A high back, curvaceous frame separates back-to-back seating zones. The double settee with a console acting as a bridge between seats can be a shared space. The console includes a stone capped work or play surface and 2 power hubs. The opposite orientation allows an individual on one end to sit in privacy.
