

Gregory - 8946L - Dining Chair

Specifications:

The timeless appeal of this dining chair offers contemporary style with distinctive detail. Wooden frame provides subtle curvature of arms, transitioning to splayed legs and supportive x-stretcher. Back cushion is uniquely supported by center panel extending from tightly upholstered seat.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option:

Catch by Samuelson provides a thoughtful solution to clutter in dining, public areas and hallways while fostering independence. Our patented stainless-steel hardware suspends a walker, or any personal item on the back of our chairs, creating more space and less confusion in common areas of the community.
