

Thompson - 8839AL/CAS - Dining Chair

Specifications:

It's easy to pull up this handsome chair to a dining or game table with our community minded feature. Grasp the open hand-hold notch at the top rail to maneuver the chair in and out of the table. Durable construction is enhanced with tight upholstered seat and back, supporting stretcher and tapered legs. Casters on front legs make moving this chair a breeze.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Option: CATCH by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patented hardware suspends a folded walker, or any personal item, on the back of our chairs, creating more space and less confusion in common areas of the community. Manufactured from Stainless steel, offered in brushed stainless 113M and brushed brass 106M finishes. ***PATENTED**
