

## Sophia - 9871AL - Dining Chair

### Specifications:

Create an elegant ambiance with this oval back dining or accent chair. The flowing, refined look is crafted with design details such as sculpted rolled arm, cabriole legs and curved front rail. Upholstered tight seat and back assure support and comfort.

Innovative Option: Catch by Samuelson provides a thoughtful solution to clutter in dining, public areas, and hallways. Our patent pending hardware suspends a folded walker on the back of our chairs, creating more space and less confusion in common areas of the community. \*US Patent Pending
