

Marvin- 9057L - Dining Chair

Specifications:

Beautiful design detail improves lifestyle quality. Suitable for dining and occasional seating, this sophisticated chair provides upscale elegance along with superior comfort. Subtle features such as the wood exposed, semi-upholstered arm, gently curved back and center notch both front and back of the base bring character to the simplicity of the design. An X-stretcher adds support to tapered legs. Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture. *Optional casters are available on front legs for ease of movement.

Innovative Options:

Tilt by Samuelson is our solution to a common cleaning problem. Our discreet system allows the seat of our chairs to tilt forward, exposing a drop-through frame. We have thoughtfully engineered this hygienic system to facilitate a simple, single-step service
