

Monroe- 8840L/CAS - Occasional Chair

Specifications:

Dine, relax and socialize in this sleek beauty. Enjoy a distinctive, stable and supportive chair with fully upholstered upper section and ample seat cushion. The gently sloping arms provide secure comfort. Richly finished front legs on optional ball casters reach arm height tipped with brass caps. Back legs are a unique single connected u shape with brass cap detail. Metal details offered in brushed stainless 113M and brushed brass 106M finishes.

Engineered specifically with senior living comfort in mind, sitting, standing and relaxing are easily accomplished with ergonomic design and quality. Lumbar support, arm, seat height, pitch and depth assure healthy sitting posture.

Innovative Options:

Tilt by Samuelson is our solution to a common cleaning problem. Our discreet system allows the seat of our chairs to tilt forward, exposing a drop-through frame. We have thoughtfully engineered this hygienic system to facilitate a simple, single-step service..
