

Specifications:

This double vanity cabinet offers gorgeous aesthetics, attention to detail, and functional features. Constructed with underlying water resistant plywood for durability and finished in light oak wood with visible natural wood grain, every panel and cubby is accentuated with architectural trim lip detail. Vertically fluted panels and drawer fronts of solid maple have towel bars and ring pulls of stainless steel in antique brass finish. Two large open storage cubbies hold bath amenities. Stone top with matching back splash accommodate two undermounted sinks. A floating wood base with four legs elevates this luxurious vanity cabinet.

Height: 34" | 86.36cm
